WHAT WE OFFER

PROFESSIONAL DEVELOPMENT TRAININGS

Our trainings are presented by pediatric occupational therapists, speech-language pathologists, and mental health clinicians.

[See options here.](#)

COMMUNITY WORKSHOPS

Invite your community of caregivers and teachers to participate in a workshop. Great way to get your community on the same page.

[See options here.](#)

MAKING CLASSROOMS INCLUSIVE

Our Occupational Therapist will partner with your teaching team to transform the classroom into an inclusive space for all types of learners.

[Learn more](#)

SCREENERS FOR PRESCHOOLERS

A team of OTs, SLPs, and MFTs will come on site and screen for possible speech delays, sensory differences, self-regulation capacities, social skills, etc.

[Learn More](#)

CLASSROOM DESIGN BY OCCUPATIONAL THERAPIST

Our trainings are presented by pediatric occupational therapists, speech-language pathologists, and mental health clinicians.
